## Happy Winter

It's officially winter and we have had our first snow/ice of the year. Please be mindful of your porch, steps, and the sidewalks in front of your house. We DO NOT have a company that will clear the snow from the sidewalks. Let's work together as a cluster to keep our sidewalks clear and safe.

## HOA Dues

Make sure you update your HOA dues to our new company.  
You can mail your \$325 payments to the address below payable to Golf Course Square.

## Social Gatherings

Our Polar Express wasn't successful this year due to the weather and residents being out of town. We will hopefully have a winter gathering in Evens Court this month or in the beginning of February. Keep an eye out for an email and Facebook post. If you haven't been receiving emails or posts from our neighborhood Facebook page please let us know.

We will add you right away.

## Trash/Recycling

Do not put recycling in plastic bags. Plastic bags get wrapped around the rollers and stop the conveyer belt. Workers then remove the bags by hand. Plastic bags that make it past the rollers contaminate the other recyclable materials. Please take bags back to the grocery store, place them in the trash, or choose reusable bags. Do not place them in the recycling.

Attached are some helpful sheets to review when collecting your trash/recycling each week.

## Reston Rescue

Rescue Reston has been on the front lines of defending green space from development in Reston for many years. They can only do this important grassroots work with the financial support and volunteer time from neighbors like us.

Please visit <https://rescuereston.org/newsletter> to join their email list.

To donate, look for the "Donate" link at the top of their website.

## GoNatives!

The GoNatives! have completed the two native shrub planting projects that were funded through the Virginia Trees for Clean Water Grant program. The locations of these new beds are next to 2033 Sarazen Place and behind 2026-2030 Even Court.

### Cluster Highlights:

- The cluster received \$1352 in grant funds
- 38 native shrubs were planted and registered with the Virginia 'My Tree Counts' program
- 191 volunteer hours were logged by 13 residents

The GoNatives! group will continue to monitor these shrubs and work with the cluster's grounds chair to ensure the plants thrive. If you're not seeing much change in the shrubs, remember the rule of thumb for new plants: year one they sleep, year two they creep, and year three they leap!

## Exterior Standards

Did you know that we get a cluster discount at Sherwin-Williams for our exterior paint colors? When you are ready to paint your home please make sure to tell them that you are with our cluster and you will receive a 30% discount on your paint. We also have a wonderful company that has painted several houses in the community if you are looking for recommendations on a contractor.
